Providing a top Prize remains available Allwyn may print further Scratchcards for this Game. If a further print run of Scratchcards for this Game is made, then, for the Scratchcards produced in that further print run, the overall odds of winning a Prize at each Prize tier level will be, allowing for the tolerance levels as specified in the table above, the same as in the initial print run of Scratchcards for the Game.

In the event of any conflict between the Rules, the Procedures and any other information issued by Allwyn in relation to this Game, the Rules will take priority followed by the Procedures and then any other information issued by Allwyn.
